Accident & Health

We provide Accident & Health solutions across a very broad range of industry classes, segments and distribution channels. We are exceptionally service focused, with our customers' experience being at the forefront of our decision making process.

We will consider opportunities either retail or wholesale, via MGA's, brokers and strategic distribution partners whether they be other insurers, banks, technology providers etc.

Our initial focus will be on Personal Accident and Travel, with an intent to broaden our Product base rapidly.

We will also have an initial focus on Corporate and Major account opportunities, and in the SME space via portfolio.

Empowerment of our people through authority and autonomy is a key tenement of our business philosophy.
