Student Travel Abroad Accident Insurance

At Everest, we understand when students are traveling overseas, they may encounter unexpected emergencies. Our Student Travel Abroad plans provide coverage and access to 24/7/365 travel, medical and security assistance services. We are there to guide them if challenges arise with their destination, disruptions in travel, potential accidents, and/or illnesses, providing peace of mind and security during their travels.

Our offering

- Breadth of coverages and benefits to customize a solution to meet your unique needs for international travel
- Tailored plans for student study abroad and short-term international trips
- Inclusive global protection combining insurance protection and travel, medical, and security assistance services
- Worldwide 24/7/365 travel and medical assistance services, including both pre and post departure and destination country information

Client profile

- Educational organizations, regardless of size
- Educational organizations needing travel coverage for their traveling students, athletes, faculty, guests, volunteers, spouses and dependent children

Our differentiation

We provide you a holistic customer experience by collaborating with our global service partners to deliver comprehensive benefits solutions. Our goal is to be your partner throughout the life cycle of your program to ensure you and your travelers feel the peace of mind you deserve when traveling away from home.
