### **EVEREST INSURANCE® PROPERTY**

## SIX STEPS TO SAFEGUARD YOUR COMMERCIAL PROPERTY **DURING CIVIL UNREST**

### CHECK LOCKS

Check and/ or install life safety compliant locks on doors and windows.

### **BOARD UP GLASS**

Blockade windows inside and out using 5/8" or thicker sheets of plywood.

Consider hiring security guard services and retaining on-call teams to barricade and board up facilities.

# LIGHTS ON

Keep the premises well illuminated.

#### FIGHT FLAMES

Shut off gas, cage protect exterior gas meters, remove flammable liquids and store company vehicles off premises. Remove any flammable or combustible materials and vegetation stored near the building.

### ADJUST OPERATING PROTOCOL

Consider altering business hours to times more likely to incur civil unrest like after dark. Reduce inventories and cash on hand and remove goods from display windows.

## **UP TO \$2B LOSSES**

Did you know the cost of damages from the riots in May and June 2020 is estimated to be up to \$2 billion industry-wide, the largest in United States history?\*
