Cautionary note on forward-looking statements

This presentation contains forward-looking statements within the meaning of the U.S. federal securities laws. We intend these forward-looking statements to be covered by the safe harbor provisions for forward-looking statements in the U.S. Federal securities laws. These statements involve risks and uncertainties that could cause actual results to differ materially from those contained in forward-looking statements made on behalf of the company. These risks and uncertainties include the impact of general economic conditions and conditions affecting the insurance and reinsurance industry, the adequacy of our reserves, our ability to assess underwriting risk, trends in rates for property and casualty insurance and reinsurance, competition, investment market fluctuations, trends in insured and paid losses, catastrophes, regulatory and legal uncertainties and other factors described in our latest Annual Report on Form 10-K. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
Corporate Objectives

Everest Re Group is a worldwide multi-line reinsurance and insurance company. Our key objectives are to:

- Maximize book value per common share over time, and
- Earn a mid teens ROE over each market cycle.

Capital Management Objectives

- Maintain capital at levels in excess of those required to retain ratings
- Target mid-teens ROE over the cycle
- Optimize capital structure; conservatively leverage the balance sheet
- Manage capital flows to/from shareholders to maintain capital efficiency/maximize value per share
- Near term – maintain shorter duration and continue to further diversify the portfolio. Seek to mitigate credit and interest rate risk.
