This presentation contains forward-looking statements within the meaning of the U.S. federal securities laws. We intend these forward-looking statements to be covered by the safe harbor provisions for forward-looking statements in the U.S. Federal securities laws. These statements involve risks and uncertainties that could cause actual results to differ materially from those contained in forward-looking statements made on behalf of the company. These risks and uncertainties include the impact of general economic conditions and conditions affecting the insurance and reinsurance industry, the adequacy of our reserves, our ability to assess underwriting risk, trends in rates for property and casualty insurance and reinsurance, competition, investment market fluctuations, trends in insured and paid losses, catastrophes, regulatory and legal uncertainties and other factors described in our latest Annual Report on Form 10-K. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
Everest Re Group is a worldwide multi-line reinsurance and insurance organization. Our key objectives are to:

- Maximize book value per common share over time, and

- Achieve returns that provide a mid-teens compound annual growth rate in shareholder value.
## THE EVEREST FRANCHISE – Well Positioned for Success

### A BUSINESS MODEL THAT IS NOT EASILY REPLICATED

Conclusion

- Strong franchise that has successfully weathered numerous market cycles
- Seasoned management team focused on building long term value for our shareholders
- Disciplined underwriting culture – profitability before growth – supported by a strong risk management framework
- Conservative, high-quality balance sheet with superior capitalization as acknowledged by each of the rating agencies
- Astute managers of capital
- Compelling upside potential with stock trading close to book value and company’s track record of providing double-digit return to its shareholders
